Employee of  
the Year**

*Edith "Dee" Winnett*, a Senior Transit Driver in the Transit Department, was awarded a STAR Award from the City Manager, Jim Lindley on May 20, 2022. Dee became a Senior Driver in September of 2019 and has excelled at her job. In 2021 her supervisor became ill and Dee stepped up and did a great job in her absence. Dee was able to work with the drivers and manage their schedules despite being short staffed during the busy start of the school year. Dee, with help from the dispatchers,

was able to get the school schedules set up and given to the right drivers. Dee spoke to the supervisor often and asked for advice; the supervisor liked her ideas and implemented many of them! Dee was able to step into her supervisor's shoes and did a remarkable job!

*Gabriela Carrillo*, an Administrative Clerk I in the City Clerk Department, was awarded a STAR Award from the City Manager, Jim Lindley on May 20, 2022 for her excellent customer service. Gabriela always displays composure and maintains a professional approach when greeting and dealing with visitors and city residents having business in City Hall. Gabriela is often faced with difficult questions and concerns for which she is able to calmly respond with a correct response and make referrals as appropriate. On December 15, 2021 when the California Department of Public Health issued a requirement of universal masking indoors, Gabriela was on the spot to explain the state rule on masking when a visitor entered City Hall without a mask and provided a mask to the customer. She was able to defuse what could have been a controversial situation and kept the rest of the staff safe. Great job, Gabriela!
