Employee **Star** Award Recipients

2022

Congratulations to *Eric Draper*, Maintenance Worker I – Building Division for earning a Star Award! The City Manager, Jim Lindley, distributed the award on May 20, 2022. Since Eric has been in charge of maintenance at City Hall/Council Chambers, there has been a remarkable change of cleanliness and impression to the building. Eric has taken "pride of place" which has created numerous positive comments amongst our visitors and employees. Eric is extremely approachable and friendly, and gets tasks done in a timely manner. All of the employees in City Hall have appreciated his attention to detail and the pride he takes in his work.

A big thanks to *Jurnee Rivas Garza*, Administrative Clerk I – City Hall for always being patient and helpful with members of the public even when they ask multiple question or become frustrated. On July 18, 2022 Jurnee helped someone at the counter for over 30 minutes, answering their questions and offering resources. Even though the resident was frustrated and raised their voice Jurnee remained calm and had a pleasant demeanor. The City Manager, Jim Lindley, issued a Star Award to Jurnee on October 14, 2022.

Congratulations!

Congratulations to *Sean Martija*, Maintenance Worker I – Streets Division for earning a well-deserved Star Award! During the 4th quarter of 2022 Sean was recognized by a Dixon citizen for not only his hard work during a hot summer day but for kindly taking the time out of his day to help the citizen with their concerns. Sean was able to take care of the citizen’s request and fix the issue at hand, but more importantly took the extra step and showed them how to send future concerns on the City’s mobileapp. His patience and willingness to help our community is truly appreciated. The City Manager, Jim Lindley, proudly presented the award on January 9, 2023.
